ABOUT PACIFIC TRANSIT SYSTEM

The Pacific County Public Transportation Benefit Area was established by local voters in 1979. Doing business as Pacific Transit System, the benefit area was established to provide public transit services in and around the communities of Raymond, South Bend and the Long Beach Peninsula.

Today, Pacific Transit operates three fixed bus routes, five commuter routes, ADA paratransit service, and dial-a-ride services. Pacific Transit offers fixed route bus service between Raymond and South Bend, along the Long Beach Peninsula, between Raymond and Aberdeen, and between Ilwaco and Astoria, Oregon. Together with our demand response service, Pacific Transit passengers can connect with Grays Harbor Transit to Olympia and then the Puget Sound region. They can also connect with Sunset Empire Transportation District for Oregon Coast destinations and service to Portland. Our buses meet up with Wahkiakum On The Move for connections to Longview and points east.

Fixed Route & Commuter Service

There are eight buses in service daily across Pacific County.

Monday through Friday:

Service Hours 5:00 A.M. - 7:00 P.M.

Saturday/Sunday:

Service Hours 8:00 A.M. - 5:00 P.M.

Pacific Transit System officials have the right to remove anyone from the bus or to refuse service to anyone in violation of RCW 9.91.025 Unlawful Transit Conduct. Violations are a misdemeanor offense and are punishable by up to 90 days in jail and a \$1,000 fine.

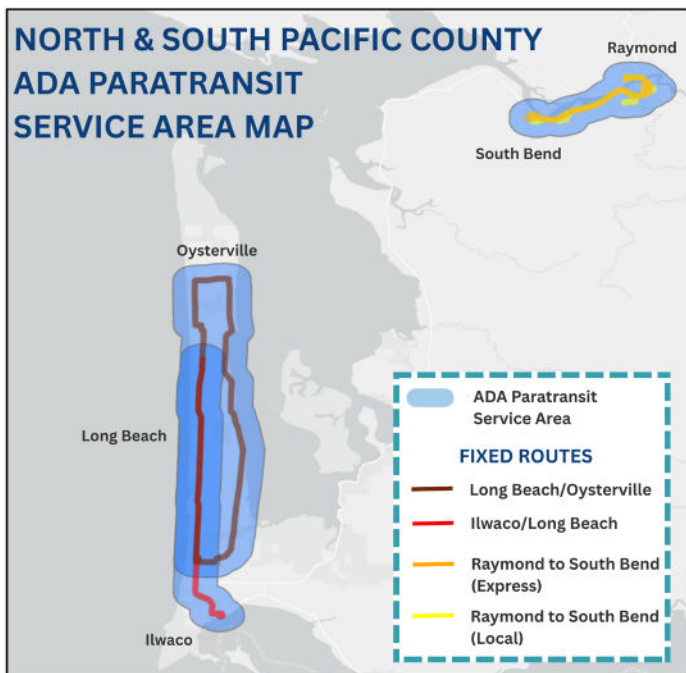

ADA PARATRANSIT SERVICES

What is ADA Paratransit?

Paratransit is a public, curb-to-curb shared-ride transportation service for individuals when the effects of their disability prevent them from using the regular fixed route buses all or some of the time. This means that a person must be unable, because of the effects of their disability, to get to or from the bus stop, get on or off a ramp-equipped bus, or successfully navigate or travel by bus to or from their destination. All Paratransit riders must apply and be found eligible to ride Paratransit.

What Areas Do ADA Paratransit Services Cover?

All Paratransit trips must begin and end within the Paratransit service area. The service area is a corridor which extends $\frac{3}{4}$ of a mile around each fixed route. A fixed route operates on a predefined path covering an entire local service area, follows a set schedule, and has designated stops. At present, Pacific Transit System's ADA Paratransit service area includes Raymond, South Bend, Long Beach, Oysterville and surrounding areas as shown on the map below:

ADA PARATRANSIT SERVICES

What Does ADA Paratransit Cost?

ADA Paratransit fare requirements stipulate that one-way fares cannot exceed twice the full, non-discounted fare for a similar trip on the fixed-route bus system. Pacific Transit does not charge a fare for its fixed route transportation services, which means that ADA Paratransit services are **FREE!**

How Does ADA Paratransit Work?

ADA Paratransit is a curb-to-curb shared ride service provided through advance reservations. You can schedule your Paratransit van ride up to fourteen (14) days in advance of your trip but no less than the day before your trip. Paratransit services operate during the same service hours as the regular fixed route bus system.

To book, simply call to make your reservation or visit our website. The Reservations office is open from 8:00 a.m. to 5:00 p.m., seven days a week excluding holidays.

Who Is Eligible to Use ADA Paratransit Services?

Paratransit eligibility is based on your functional ability to use Pacific Transit System's fixed-route bus service. Eligibility determinations are made based upon the bus-riding limitations caused by your disability (ies) and are tailored to your individual abilities. There are three types of eligibility, which are based on the applicant's specific disability: temporary, conditional, and unconditional (full) service.

How Can I Apply for ADA Paratransit Services?

Submitting an ADA Paratransit application has never been easier. You can now fill out the application entirely online, monitoring the status of your application and any messages from our staff or you can use the PDF form located on Pacific Transit's website. The application process involves collecting mobility information from a doctor or other professional health care provider who can describe how the passenger's limitations prevent access and use of the fixed route bus system. If you need assistance with completing the application, please get in touch with our team at 360-875-9418.
